Dare to Pray!

Taught by our Savior's command and formed by the Word of God, we dare to pray. In life, as in homeschooling, time seems to go by so fast. But the need to pray is more urgent than ever. How do we pray as a family? What are some guides to help us pray as a family? This talk will address these questions and offer advice on how to improve your prayer life.

10:30 - 11:15 A.M.
Dr. Ray Guarendi

*You're a Better Parent
Than You Think!*

Anyone who works with children today is having his confidence, peace of mind, and authority undercut by widespread myths of "experts" and the media. Dr. Ray identifies several of the most pervasive of these myths, and helps moms and dads realize they are better parents and teachers than they might think.

11:30 A.M. - 12:15 P.M.
Mrs. Virginia Seuffert

*The Academic Approach
for All Ages*

You can provide a top flight academic education from preschool to high school. Reach your learning goals with a method proven by centuries of success, emphasizing a well-ordered school day, virtues like obedience and diligence, memorization, and a curriculum based on the finest thoughts of Western culture.

12:30 - 2:00 P.M. Vendor Sales/Lunch

2:00 - 2:45 P.M.
Dr. Ray Guarendi

Back to the Family

This talk presents the results of a three-year, national search for strong families. It reveals those characteristics most common to strong families as well as the struggles and difficulties most families face. The results will reinforce some traditional ideas about family life while offering some reassuring surprises.

3:00 - 3:45 P.M.
Mrs. Regina Doman

*Seductive Evil
and Wimpy Goodness*

What's wrong with our imaginations? Using examples from books and media, this talk demonstrates the impoverishment of our imaginations and how we can recalibrate this important component using Scripture and the writings of good Catholic authors.

4:00 - 4:45 P.M.
Mrs. Virginia Seuffert

*How Catholic Home Education is
Changing American Culture*

Catholic home education has evolved from a tiny group of parents to a powerful social movement. Learn how homeschool graduates are using their authentic Catholic education and solid academic training to change the country and the Church, and how your children can be counted among them.

5:30 P.M. Conference Ends
