*Public Education and the
Necessity of Homeschooling*

Do you know what goes on in public school classrooms? Many parents don't fully understand the role state schools have seized in molding the minds and habits of American children. Parents, however, and not the schools are ultimately responsible for raising happy and virtuous children. Home education is not just an option, it is key to our nation's future.

3:30 - 4:15 P.M.
Fr. David Baker

The Battle of Prayer

This talk will offer ways for one to deepen one's spiritual life through the traditional practices of vocal, mental, and contemplative prayer.

4:30 - 6:00 P.M. Vendor Sales/Dinner

6:00 - 6:45 P.M.
Mrs. Virginia Seuffert

*A Simple Schedule:
the Secret to Success*

Are baby care, chasing toddlers, schoolwork, housework, and extracurricular activities driving you to distraction? Wondering how those Catholic moms of mega-families persevere for decades? Let a mother of 12 children share how a reliable schedule helped her to maintain her sanity while fulfilling her responsibilities.

7:00 - 7:45 P.M.
Mr. John Jalsevac

Navigating the Mass Media

Mass Media is everywhere. Unfortunately, in many cases, what's on our TVs, computers, and smartphones is less than edifying. The question is: How can Christian believers and homeschooling families use the media while protecting themselves from its negative influences? John Jalsevac will offer practical advice based upon his experience in Catholic media.
